RE: Public Records Act Request No. 474

Dear Mr. Sinyangwe:

This letter will acknowledge receipt of your Public Records Act request.

"To Whom It May Concern: Pursuant to the California Public Records Act, I hereby request the following records:

1. The total number of police use of force incidents, broken down by type of force used, between 2013-2017 (separated by year).
2. The total number of people that police used force against, between 2013-2017 (separated by year).
3. The total number of police use of force complaints reported between 2013-2017 (separated by year).
4. The total number of police use of force complaints sustained between 2013-2017 (separated by year).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires. "

In accordance with the California Public Records Act (Government Code Section 6250 et seq.) (the "Act"), the City will comply with your request to the extent that your request seeks reasonably identifiable public records maintained by the City which are subject to disclosure under the provisions of the Act.

The City is currently processing your request. We anticipate having a page count of the responsive records, if any, for you in the very near future, at which time you will be notified that the records can be made available for your inspection, and duplication upon request, at City Hall. We have forwarded your request to the appropriate departments for review and response. If you have any questions regarding the information above, please feel free to contact me.

Sincerely  
**Jimmy Nguyen**  
Senior Administrative Analyst
